

# 10U Colocation in AtlasEdge DC Amsterdam 1

Situated just 18 km from the major airport, AtlasEdge DC Amsterdam 1 offers excellent connectivity to the Equinix Amsterdam campus. As part of the Climate Neutral Data Center Pact, the facility runs on 100% green energy.

## 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
