

# 10U Colocation in Equinix DA3 Dallas

Equinix DA3 is located within the Infomart Data Center, the fifth most-interconnected data center in the U.S.

### 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
