

10U Colocation in Interxion MAD1 Madrid

Interxion MAD1 is the most interconnected datacenter in Spain with over 134 service providers. It hosts DE-CIX Madrid and ESPANIX, each one with over 110 participants.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
