

10U Colocation in Telehouse Docklands North London

Telehouse Docklands North is the most interconnected datacenter in the world. This is the place to be if you want to easily cross connect with who's who in Internet.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
