

# 10U Colocation in Voxility IRD Bucharest

Establish your minimal servers footprint in Bucharest and be ready to interconnect and provide services in Europe without purchasing space you do not use.

### 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
