

# 20U Colocation in AtlasEdge London 1

A new data center located in close proximity to Telehouse. This Tier 3 certified facility boasts a range of other certifications. With easy connections to all Telehouse North networks, you can connect to any provider via Voxility cross-connect. If you need to place multiple servers in London, Atlas Edge London 1 is the choice.

## 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
