

# 20U Colocation in Digital Realty (Interxion) FRA8 Frankfurt

Digital Realty (formerly Interxion) is currently the top choice for colocation in Frankfurt. The campus comprises 17 data centers (FRA1 to FRA17) hosting over 540 carriers, including DE-CIX, the world's largest Internet Exchange. With a multitude of networks, it boasts the second-highest number of hosted networks globally.

## 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
