

# 20U Colocation in Digital Realty Memaco House London

London datacenters handle more Internet traffic than any other city in the world. Digital Realty Memaco House (formerly Telecity Meridian Gate) houses over 55 networks and still offers a good value for the servers hosted here. If your business requires many servers and you are looking to simultaneously serve Europe and US East Coast, the Digital Realty Memaco House in London is a good and safe choice.

### No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
