

20U Colocation in Interxion FRA8 Frankfurt

Interxion is currently the #1 choice for colocation in Frankfurt. The Interxion campus has 17 datacenters (FRA1 to FRA17) that together host 700+ carriers, including DE-CIX, the largest Internet Exchange in the world. With so many networks present, Interxion has the second biggest number of hosted networks in the world. Our presence in Interxion FRA8 is significant and allows us to have a faster turnaround of services provided here.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
