

20U Colocation in Voxility IR2 Bucharest

Scale AI-loads at Voxility IR2, a new datacenter extension in Bucharest. Featuring up to 4.3 kW per rack and cross-connects to 100+ networks and all major Romanian ISPs. The first tenants are welcome in June 2026 and will receive 3 months of free service if they register here

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
