

20U Colocation in iM Critical Miami

Built on the highest elevation in the region (outside the 100-year flood plain), the facility is connected to all major fiber networks, ensuring connectivity to Latin America and Equinix MI1.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
