

Full Rack Cabinet Colocation in ColoHouse Miami

The city's second-largest data center boasts exceptional interconnectivity, with access to over 25 networks. Situated in one of the top telecommunications infrastructures in the Western Hemisphere, Miami's strategic geographical location enables seamless connectivity with Latin America, the Caribbean, and Europe.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
