

Full Rack Cabinet Colocation in **Equinix KleyerStrasse FR5** Frankfurt

Equinix FR5 (formerly Ancotel) is the pioneer of neutral interconection in Germany. It is located in the center of an area, known as "KleyerStrasse", where some of the largest datacenter facilities in Frankfurt are located. Over 220 networks publicly advertise they have a point of presence in Equinix FR5, among them DE-CIX, the largest public Internet Exchange in the world.

| 1 Year Commitment - Price per Month The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
