

# Full Rack Colocation in Digital Realty FRA18 Frankfurt

Digital Realty (formerly Interxion) is currently the #1 choice for colocation in Frankfurt. FRA18, part of the Digital Park Fechenheim campus, is the newest location among a total of 11 data centers planned for the former Neckermann site.

## 1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
