

London datacenters handle more Internet traffic than any other city in the world. Digital Realty Memaco House (formerly Telecity Meridian Gate) houses over 55 networks and still offers a good value for the servers hosted here.

Full Rack Colocation in Digital Realty Memaco House London

1 Year Commitment - Price per Month The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee. Prices does not include taxes	Total
