

Full Rack Colocation in Digital Realty VIE2 Vienna

Digital Realty VIE2 offers a growing community of carriers, ISPs, Internet Exchanges and other connectivity partners helps you reduce the cost of network access and improve performance, access to all the major carriers and ISPs and direct access to the Vienna Internet exchange.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
