

Full Rack Colocation in Digital Realty VIE2 Vienna

Digital Realty VIE2 offers a growing network of carriers, ISPs, Internet Exchanges, and connectivity partners that help reduce costs, boost performance, and provide direct access to major networks and the Vienna Internet Exchange (VIX).

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
