

Full Rack Colocation in Equinix DC10 Ashburn

Equinix Ashburn is a top global interconnection hub with 500+ networks, making it ideal for serving East Coast consumers due to its proximity to major metro areas.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.
