Full Rack Colocation in Equinix DC2 Ashburn

Equinix campus in Ashburn, Virginia is the most interconnected location in United States (270 networks publicly advertise their presence here) and an ideal choice to serve content to East Coast consumers due to its proximity to all major metro areas. Equinix DC2 in particular hosts a great number of traditional telcos.

1 Year Commitment - Price per Month

The price is for a full calendar month and you commit to pay this price monthly for a full year (one day prior of activation date, next year). You cannot switch to a shorter commitment term and if you request service termination prior the one year anniversary, you still have to pay monthly the cost of this service until the last day of last month or pay a significant termination fee.

Prices does not include taxes
