

# HP Proliant DL360e Gen8 (E5-2450v2) 4-LFF

A single 8-core processor with RAM that can be upgraded to 96GB for applications that require a good deal of performance for the price. The built-in 4x1G Intel I350 network card delivers low IRQ usage for network applications.

### No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
