

HP Proliant DL380e Gen8 (2xE5-2407) 12-LFF

A reliable server having the best value as a storage server. Applications that require more than 4 core will also perform well. The two processor don't have hyperthreading and most of the component are built using server chips from Intel.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.
