

HP Proliant DL380p Gen8 (2xE5-2640) 12-LFF

The perfect server. Every single component was built for performance and reliability. It offers the highest performance for the value with an impressive RAID controller and large storage. The 2 x 10G card is good enough to stream 12-14Gbps of traffic.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.
