

HP Proliant DL320e V2 Gen8 E3-1240v3 2-LFF

A multipurpose server using the latest generation of processors that is good for anything that doesn't require more than 4-core. The built-in 2x1G network card has impressive performances. It can be reliably expanded with additional 36TB storage boxes. With a 10G card is powerful enough to stream 6-8Gbps of content.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
