

HP ProLiant DL580 Generation 7 (4xE7-4830) 8-SFF

A high-end server built for reliable large scale virtualization and intensive used databases. HP exceeds expectations at this class of servers and this model makes no exception.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
