

Arista 7280CR3 (4 x 400Gbps OSFP, 32 x 100Gbps QSFP)

A Jericho2-powered deep-buffer switch-router built for ISP peering and high-density 100G/400G environments, supporting full internet routing tables with carrier-grade reliability.

No Commitment - Price per Month

The price is for a full calendar month, regardless of how many days are within that month. You can request to cancel the service anytime ("no contract"), but the service will be terminated, regardless if it's used or not, in the last day of that month.

Prices does not include taxes
